WELCOME TO BEAR VALLEY CHURCH

thank you for joining us!

On behalf of the pastors, staff, and church family of Bear Valley, I would like to personally welcome you to today's in-person and online worship service opportunities. We are so glad that you have joined us!

For more than sixty years, God has blessed Bear Valley Church in many ways, and we have seen thousands of lives changed and countless people step up to use their gifts to make a difference for Jesus in our church and our community.

Due to the COVID-19 pandemic restrictions, our in-person gatherings may look a little different, but we are still passionate about connecting people to God and one another, helping them mature in their faith, and unleashing them to fulfill God's mission through their lives. If this is your first-time joining us in person, then we want to encourage you to stop by the Connection Point tent to say a socially-distanced hello and to pick up a gift bag...our way of saying thank you for joining us!

If you can't attend one of our in-person services, or you don't feel comfortable doing so just yet, you can always join us live online at 9:30am and 11:15am on Sundays or watch on-demand at your convenience by visiting bvchurch.org/live.

We want to encourage you to utilize the message notes from today's message, and we would also like to encourage you to take advantage of the discussion guide for our messages to participate in a sermon-based small group, for your own personal use, or to start a small group environment in your home or in a smaller setting within our community.

We hope that you are blessed by today's service and that you will consider making Bear Valley Church your spiritual home. If you have any questions, prayer requests, or if there is anything else that we can do for you, please do not hesitate to let us know (prayer@bvchurch.org) ... that's what we're here for! Contact information for our amazing Staff is located on the last page of this bulletin.

Blessings,

Pastor Joey

Our mission of reaching the unreached and disciple making begins with Evangelizing the seekers, then we Equip & Enlarge them and finally they get Established as a church in that village or town. We have over 50 Central Worship Churches. It all begins with a House Church as they grow into a Central Church. We have 1600+ House Churches across the six States of North India. Our passion is to have at least one church in every North Indian village.

With an aim of proclaiming the Good News among Muslim neighbors and leaders, the Neighbor Hope project is a unique ministry hosted by Hope India Mission. The ministry mainly targeted at Indian Muslims that constitutes 13 percentage of the Indian population. The strategy is a huge success all over India.
