

February 10, 2022

Dear Bear Valley Family:

During the services on November 21, I announced the urgent need to make significant investments toward four primary areas of our facility and grounds: replacement of our HVAC system, parking lot, elevator, and flooring, with an estimated total cost between \$2.0-\$2.5 million. Thankfully, God was not caught off guard by these capital needs, and he has a plan for everyone and everything, including you and Bear Valley Church. As our church leadership has been praying and seeking clarity about how to move forward, we are excited to announce the launch of the ***Strengthening Our Place to Stand Capital Campaign***.

The ***Strengthening Our Place to Stand Capital Campaign*** is a bold, three-year initiative to raise the funding necessary to complete all of these projects without taking on any long-term debt. Being successful will take generous gifts and commitments from all of us...the entire Bear Valley community! Whether you're a long-time member or you're new to Bear Valley, and whether you attend in person or online, we're asking you to prayerfully consider contributing to this massive undertaking and making a commitment by Sunday, February 27.

Gifts of every size are encouraged because every little bit helps. This is an opportunity to come together as a community united behind a common cause of strengthening our place to stand as we seek to move the world for the Kingdom of God. I hope that you'll consider a generous gift or commitment for Bear Valley's future.

The first phase of the HVAC replacement is already in process. This phase includes the replacement of the water cooling towers, air units, and nine of the 48 pumps that heat and cool our building, for a total cost of \$1,089,558. We have already received generous contributions totaling \$513,642 and Bear Valley's Board has designated \$300,000 of our reserves toward this project, leaving only \$275,916 to fully fund Phase 1...praise the Lord! We're praying that God will now provide the remaining funding for Phase 1 and an additional \$1.0-\$1.5 million so we can move quickly on the rest of the HVAC system, elevator, parking lot, and flooring.

Would you please pray about how God is leading you to be a part of this initiative? Our plan is to hold a time of prayer and commitment during the service on Sunday, February 27. You can bring or send your Commitment Card anytime between now and that Sunday, or you can complete the online Commitment Card by **scanning the QR code** below or visiting **bvchurch.org/placetostand**. Thank you for your consideration, prayerful support, and faithful generosity to Bear Valley Church, and I look forward to seeing how God provided for these needs through you!

Blessings,

Pastor Joey
