2022 Christmas Offering

This year's Christmas Offering will go to support our Move the World mission grant program. Since Move the World was launched, we have given more than \$2.43 million dollars to fund grants to ministry and mission partners around the world to support projects and opportunities. Our goal is to raise \$50,000 through this year's offering, which will allow us to provide grants through Move the World in 2023.

Please be in prayer about how God is leading you to support this year's Christmas Offering.

Donations can be made online through our website www.bvchurch.org/give. You may also make your donation in person or through the mail by marking your gift as "Christmas."
