

Mission Engage is a multidimensional endeavor designed to help everyone personally participate in BVC's year of sacrificial service through opportunities of **DISCOVERY**, **INTERACTION** and **MOBILIZATION**.

Discovery opportunities include multiple communal encounters with a variety of mission and ministry partners connected with Bear Valley Church, plus learning opportunities to better equip you to understand where God might use you best.

Interactive opportunities include multiple Vision Tours with various local mission and ministry partners, introducing you to a variety of ways you can serve the community.

Mobilization opportunities invite you to personally participate longer-term in a specific mission and/or ministry in the way God is leading you to make a lasting difference in the lives of others.
